

Jazz in the Park 2019: Non-Profit Partner Application

Jazz in the Park is a free, weekly music series that attracts an average of 5,000+ people nightly. The series is produced by Music in the Park, Inc., a non-profit organization run by the East Town Association, another non-profit. As a way of giving back to our community, we are offering one complimentary space to a non-profit in Milwaukee each night of the series. Additionally, chosen non-profits will have the opportunity to facilitate a 50/50 raffle, selling tickets to patrons of Jazz in the Park and raising money for their mission.

Please note, non-profits are responsible for bringing their own table/chairs/anything additional required for setup. We provide physical space, raffle tickets, and starting cash for all raffle ticket sales. A check for proceeds from the raffle will be cut within 10 days of the event.
